

Redefining
Employee Benefits with
Expertise and Care

SYS Group

Sophisticated Yet Simple

Become an employer of choice with SYS Group

For employers who need to attract and retain top-tier talent, SYS is your expert partner - redefining the employee benefits market by prioritising the holistic financial wellbeing of your team.

We are a single source solution for your employees to be supported in every aspect of their financial journey.

Our commitment to you

- ✓ Guiding you through pension and other regulatory developments such as auto enrolment and updating you on shifting employee needs in the world of work.
- ✓ A full-suite service to employers, ensuring a white-glove experience that's both customisable and reliable.
- ✓ Access to fully digitised and automated benefit processes to save time on administration.
- ✓ User-friendly portals and on-site clinics to boost employee engagement.

An unparalleled suite of benefits, that your employees will love

As well as market-leading workplace pensions, death in service, income protection and health insurance offerings, we extend to your employees expert personal financial planning, savings and investment options, retirement strategies and mortgage supports.

We also provide expertise on the special circumstances that apply to employees who have spouses working in the public sector. Our advisory services are personalised to cover diverse financial needs and help achieve financial security when your employees need it most.

Our benefits include:

Workplace Pensions

- Master trust solution
- Interactive employee portal
- Diversified investment choice
- Regular one-to-one retirement planning clinics
- Bespoke and tailored investment advice
- Retirement planning webinars and seminars
- Fund manager and investment webinars and seminars

Health and Wellbeing

- Death in service
- Income protection
- Health insurance
- Health cash plans
- Dental insurance
- Employee assistance programmes

Financial Advice on Demand

- Future cashflow modelling
- Financial planning
- Retirement planning
- Savings
- Investments
- Inheritance planning
- Mortgages
- Pension adjustment orders
- Forensic investment analysis
- Public sector pensions

What our clients say about our benefits?

Niamh O'Halloran
HR Manager

"The relationship we have with SYS Group has been transformative for our company. The broad spectrum of benefits provided by them has significantly enhanced the wellbeing of our staff and given us a competitive advantage in attracting new talent."

Majella Forde
Financial Controller

"The innovative employee pension platform not only streamlines requests but also serves as a centralised repository for all documents. It's a game-changer, providing our workforce with unparalleled ease and efficiency in managing their pension benefits."

Shay Riordan
CEO

"The accessibility to mortgage advice and support on health insurance has proven very beneficial for our employees. Furthermore, the availability of a dedicated public sector specialist has enabled our staff to receive comprehensive and integrated advice - even extending to the combined outlook taking consideration of employees' partners and spouses. The result is that overall financial planning is well-aligned and robust."

Lucia Hyde
Chief People Officer

"Our employees have experienced tremendous value through the provision of personal financial planning by SYS. They extend their advice beyond the standard employee benefits and have empowered our employees to build a secure and thriving financial future, tailored to their unique aspirations."
